

Declaration of Product Performance No. 7/2013

Identification code of the product **TEREZA, MARGITA, ORNELA**

Type Terrazzo tiles

Intended use Terrazzo tiles are suitable for the construction of floors with high operating loads, both indoor and outdoor applications, commercial space and production facilities, service stations, garages, etc.

Manufacturer CIDEMAT Hranice, spol. s r.o., Skalní 1088, 753 01 Hranice
plant Bělotínská cesta 288, 753 01 Hranice, Czech Republic
Id.-No.: 49606786

System of performance assessment and verification **4**

Basic characteristics	Property		Harmonized technical specifications
	Indoor	Outdoor	
Reaction to fire	A1 _{fl}	A1 _{fl}	ČSN EN 13748-1:2005 Change A1 ČSN EN 13748-2:2005
Weather resistance (kg/m ²)	NPD	B	
Water absorption (%hm)	max. 8	NPD	
Bending strength (MPa)	NPD	3	
Skid/slip resistance	2	satisfactory	
Thermal conductivity (W/(m/K))	NPD	NPD	
Breaking load	1	NPD	

The properties of the products are in conformity with characteristics listed in the table.

Hranice, 1st July, 2013
